MINISTRY STATEMENT

As a Minister of the Gospel, it is my life calling and responsibility to share the gospel with all people and to worship our Lord with all that is within me. Through the gifts and talents I have been blessed with, it is also my responsibility to use them to help create meaningful worship experiences for the church. In addition to my individual gifting in technical arts, I also desire to help people within the arts collaborate in sharing the love of Christ through creative and excellent ways that are pleasing to God and inviting to the community as a whole.

EXPERIENCE
